"Not Quite Aftermath"

Well, that wasn't so bad.
OH MY GOD HE LEFT!!
C'mon Amy, he probably just panicked. I wouldn't worry, he'll be back.
OH GOD OH GOD OH GOD OH GOD OH GOD OH GOD OH GOD
This is HORRIBLE!
Thomas is GONE, and I'm stuck with our baby!
I'll have to face up to it.
He's out of my life forever.
He's huddled in the stairwell!

Thomas, you're only worried because you didn't expect things to happen the way they did.
Tell me this much...
Do you really think you could do better?
WELL!?
He makes a valid point.

"Muffled Revelation"

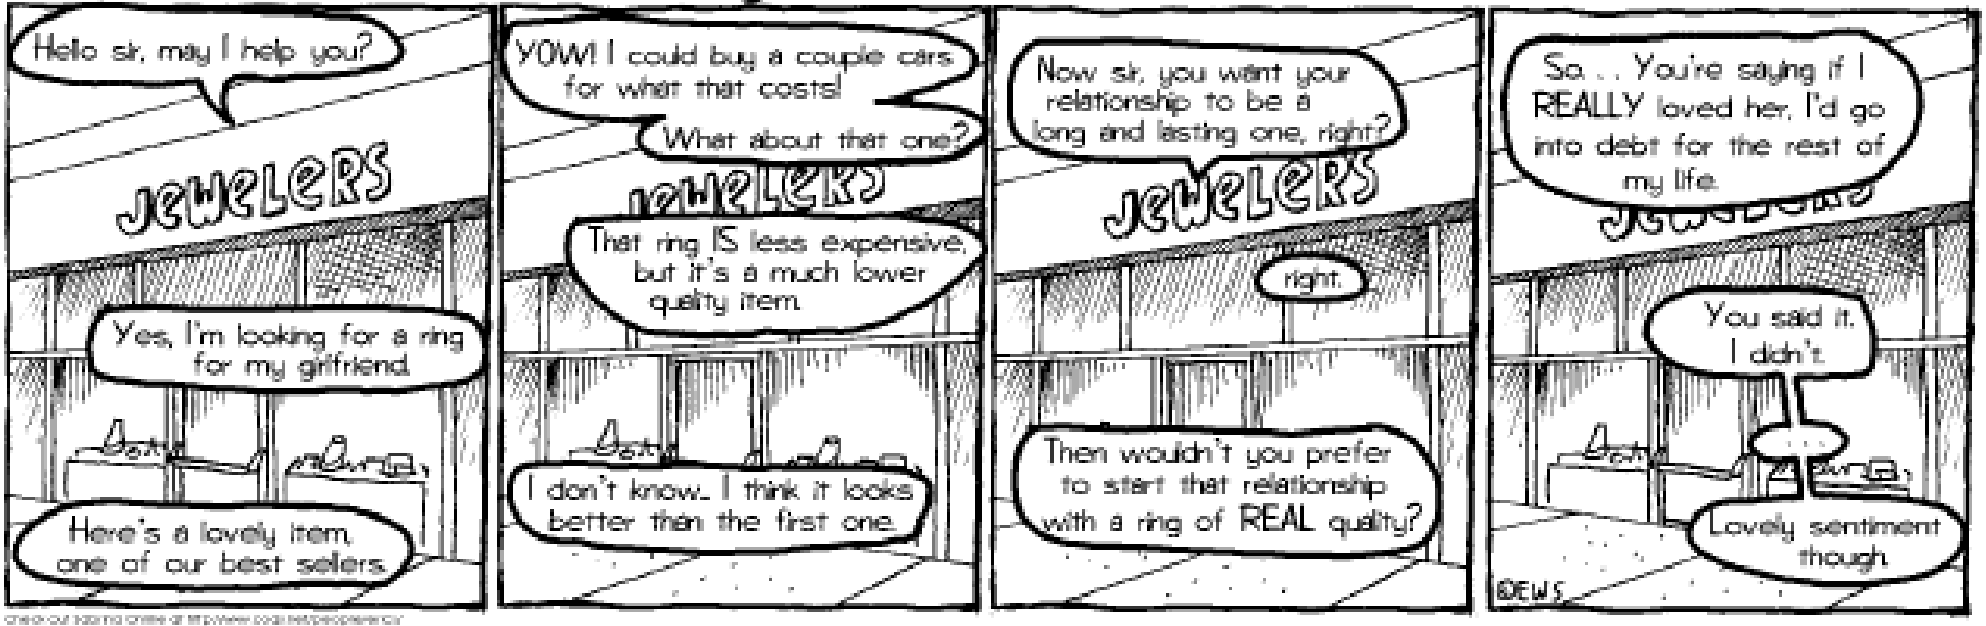
Sorry to impose, but I need to borrow some money.
What for ?
I'd really rather not...
Aw, Dad, why do I hafta tell you?
Oh, all right I need it for an [illegible]
A WHAT!?
©EWS



Hello sir, may I help you?
JEWELERS
Yes, I'm looking for a ring for my girlfriend.
Here's a lovely item, one of our best sellers.
YOW! I could buy a couple cars for what that costs!
What about that one?
JEWELERS
That ring IS less expensive, but it's a much lower quality item.
I don't know... I think it looks better than the first one.
Now sir, you want your relationship to be a long and lasting one, right?
JEWELERS
right.
Then wouldn't you prefer to start that relationship with a ring of REAL quality?
So... You're saying if I REALLY loved her, I'd go into debt for the rest of my life.
You said it. I didn't.
Lovely sentiment though.

Oh, It's you.
Hi Amy, Can we talk?
I'm not interested in talking to you.
Amy, I'm sorry I ran out on you.
I panicked, I was wrong, but I want to make everything right again!
I - I love you, Amy, and if you feel the same way...
Maybe, in the not-too distant future, we could, - if you want - get...
I think that's "Yes".

Mmmmm...
Honey, I've got a proposal for you.
I thought I already did that.
No, no no.
I thought maybe you could move in here, with me.
You'd have to pay some rent, but with the baby on the way, it'll help so much.
We can share my bedroom..
We can share my bed.
Uhh..
Is Sabrina OK with this?
She didn't want to move out, if that's what you mean.
One-third less rent?
WOO HOO!!

So, Amy has that hunk all to herself now, eh?
Big whoop. I have to live with them both.
Well, you could always make the best of it, and become a threesome ;P
TIK TAKKA TIKKA
Now you're just being stupid. Besides, Amy would never let me near him.
Well, what ARE you gonna do?
For now, I'm gonna watch some TV, play emulated Dig Dug at 5 frames per second, and hope nothing else hits the fan.
OH MY GOD!! THEY KILLED KENNY!

Amy, are you doing anything tomorrow?
No, why?
Well, I'm graduating from art college tomorrow, and I was wondering if you might like to attend.

When were you at college!?
Well, there IS a lot of open time between comic strips.

SABRINA!? Wow, I haven't seen you since my own graduation back when.
It HAS been a while.
What've you been up to?
Well, after college I've taken various freelance jobs to stay alive — barely. Recently I've started doing a comic strip on the internet. It's not much, but it could go somewhere.
I see.
It's been really good to see you again!
Yes, it was.

You seem preoccupied. Something wrong?
I just realized now that I'm out of college,
I need to get a job!
The problem is, I'm a straight-C fine art major with a fondness for Amiga graphics. What kind of job could I get where I could put these no-talent talents to use?

Look Amy! I finally got Quake for my Amiga!
Wonderful.
What's Quake?
1 HOUR AND SIXTY MEGS LATER...
impressive
I'd be even more impressed if I had some hard drive space left.
So this is what it's like to be a Windows gamer.
?
I get to play an incredible game.
- but I need to upgrade all my hardware to make it worth playing.

Congratulations, you've got the web graphics position
REALLY?
why?
Simple — you're the most qualified applicant, we've had.
